

CUPS Spirit of Christmas Wreath Campaign

With Christmas fast approaching, the annual **CUPS Spirit of Christmas Wreath Campaign** is now underway. When you purchase a beautiful, **fresh evergreen wreath for only \$50 plus \$6 delivery (optional)** you know that you are helping someone in the community make the move from **surviving to thriving**.

This is a great time to consider purchasing a wreath for you, friends, family, and clients. Be sure to avoid the disappointment of missing out on our wreaths by filling out the enclosed form as they sell out every year. If you are not able to order from CUPS this year, please pass the order form along to someone that you feel may be interested.

Proceeds from this campaign will help CUPS achieve our goal of breaking the cycle of poverty in our city. Thank you for helping those people that come to CUPS, together we are having a positive impact on homelessness and poverty. Your support is greatly appreciated!

- ❁ Please help us by arranging to pick up your wreath at one of CUPS' various pick up locations within the city.
- ❁ If you are having your wreath delivered to an apartment or gated community please include delivery instructions with your order form.
- ❁ Additional instructions may be required if you do not plan to be home when a CUPS volunteer delivers your wreath.
- ❁ If the CUPS volunteer is unable to complete your wreath delivery you will be required to pick up your wreath at CUPS' main wreath site by **December 4, 2009 at 3 pm**. This site will close for the year at that time.
- ❁ **Deadline for wreath orders is November 20, 2009!**

Please note that a **tax receipt will not be issued** for wreath purchases.

If you have any questions please call Margaret @ 403-206-0278 or Chantal @ 403-221-8793.
Thank you for helping break the cycle of poverty.

Sincerely,

Margaret Carlson
