

How to refer a patient to Connect to Care or Calgary Allied Mobile Palliative Program

Connect 2 Care (C2C) and Calgary Allied Mobile Palliative Program (CAMPP) are intensive case management teams that will provide transitional support from acute care to the community for low-income and socially vulnerable patients.

To refer a patient:

1. Ensure they meet referral criteria:

- Patient is homeless/vulnerably housed AND
- Patient is low-income AND
- Patient has at least 6 ED/Urgent care and/or 2 inpatient presentations in the last 12 months [Not required for CAMPP (palliative/end-of-life care) referrals]

2. Ensure patient is aware of referral and has given verbal consent to have team try to connect with them both in hospital and in community

3. Contact the C2C Team:

- Monday to Friday, call 403-400-7454
- After hours or on weekends please call 403-400-7454 and leave a message or fax C2C Referral Form to 403-221-8785
- CAMPP Team: 403-472-4479
